

Dear Student:

Thank you for your registration! You are now registered to participate in the online (8 weeks) Clinical Assistant Prep (CAP). The course consists of live remote lectures, course lessons, and skill return demonstrations.

### **COURSE WEBSITE | ACCOUNT SET UP:**

\*Please set up your course account at <https://courses.healthscienceconsulting.com/login/index.php> as soon as you can.

Your account must be set up in order for us to add you to your Online CAP course. The course will open a **few days prior to the first class** so you can complete the introduction and course overview lesson. **This will be your first assignment BEFORE the first class.**

### **SKILL KITS:**

**\*Out of Town (outside of Tallahassee, FL) Students** - We will ship out skill supply kits the week prior to the start of your course, by USPS priority mail. The shipping address is based on what you listed on your course registration. **If you need to verify that the address is correct, please give us a call asap.**

**\*Local Students (living in Tallahassee, FL during the course)**- Skills kit shipping is available to **out of town students only**. If you listed that you live in Tallahassee, Florida, you will need to come by the Health Science Consulting office to pick up your skills supply kit. **WE WILL NOTIFY YOU WHEN THEY ARE READY FOR PICK UP.** Our address and hours of operation are indicated below.

Your course instructor is Mr. Ramiah Castaneda and his email address is [rcastaneda@healthscienceconsulting.com](mailto:rcastaneda@healthscienceconsulting.com) should you have any questions.
