

Dear Student:

You are registered for the full-time weekend Clinical Assistant Prep (CAP) course. The course includes in-person lectures and clinical lab sessions, with attendance required. Sessions take place from **Saturdays and Sundays, 8 AM to 5 PM**. Participants are expected to be present for the entire duration each day. This course does not include the clinical internship.

COURSE WEBSITE REGISTRATION: Please, do this now.

Create your course website account. This is a required step to access the materials for the course. Use this link to create an account on our learning management system (Moodle): <https://courses.healthscienceconsulting.com/login/index.php>.

Students will be added to the CAP course at least two (2) weeks prior to the start date.

REFUND POLICY: Cancellation and Substitution by Customer

All fees are nonrefundable. The customer may cancel their registration **with a substitution** by providing the company with a written notice of cancellation a minimum of thirty (30) days before commencement of the course. If written notice of cancellation is not received within thirty (30) days, then the full course Fee will be chargeable and/or nonrefundable. There will be a cancellation service charge of \$200 for a substitution. This service charge will be deducted from all monies paid prior to any refund being issued.

DIRECTIONS:

The course will take place at the Callaway Center, 2507 Callaway Road. It is a brick building off North Monroe Street near the Cracker Barrel and the I-10 interchange. The Clinical Learning Center (Suite 206) is on the 2nd floor, to the right off the rear elevator.

WHAT TO BRING AND WHAT TO WEAR:

Please wear solid-colored, clinical scrubs (top and bottom, any color), to every class including the first day. Students must also wear closed-toed shoes, nails must be kept short (no acrylic), and hair pulled away from the face.

Students are strongly encouraged to bring lunch to class. We have a break room, refrigerator, and microwave available for your use. It is very important to stay hydrated as you will be performing venipunctures on each other.

Please bring your laptop or tablet and print out any course handouts needed for each class. Handouts are made available to you on the course website. We offer free Wi-Fi access.

REQUIRED- AMERICAN HEART ASSOCIATION BLS PROVIDER CPR CERTIFICATION:

Each student must be certified in Basic Life Support (BLS) directly through an **American Heart Association training facility**. It cannot be a BLS class from the American Red Cross, ASHI, or any other organization. *You do not need First Aid, only BLS.* This must be submitted before the end of the CAP course.

You have a few options to meet this requirement:

1. Take BLS through HSC - The course is discounted for CAP students at \$50.00. **The coupon code to use is cap*10***. Register at the following link: at <https://healthscienceconsulting.enrollware.com/schedule#ct116335>.
2. Take the ONLINE Heartcode Basic Life Support (BLS) and complete your IN-PERSON skills session upon completing the course online. You must register for both the online course and in-person skills session here: <https://healthscienceconsulting.enrollware.com/schedule#ct138393>.

NATIONAL CERTIFICATION EXAM REGISTRATION:

The fee for the national CCMA examination is \$199.00 plus a processing charge and **is not included** in course registration fees. Candidates may choose to complete the exam either through live, remote proctoring (online) or at an approved testing location. The examination should be scheduled only after successful completion of the CAP course Please wait for official instructions before registering for the certification exam.
